WELCOME

The Y. W. C. A. has an indispensable place in the life of this institution. Its activities cultivate the religious impulses of the students and give them opportunities for high service among themselves and in the community. No organization in the school has done finer work.

The students may always depend upon the whole-hearted and sympathetic co-operation of the administration in the program of the Young Women's Christian Association.

WELCOME CLASS OF 1933

All the girls at F. S. T. C. are eagerly waiting to meet you. The Y. W. girls are more than eager for your coming. We expect to meet you and show you our Alma Mater, which is also to be yours. We sincerely hope that you will learn to love us and our school as we know we will learn to love you.

In college you will find many activities; some similar to those in High School, others with broader and fuller meaning. Here will be found Y. W. C. A. This is an organization that we want you to become interested in from the first of your college days and realize that its purpose is to work toward a full and creative life through the knowledge of God.

We are making some great plans for our work during the session of 1929-30, but each must find and fill her place before we can accomplish all we plan.

So, class of 1933 we welcome you to our Alma Mater and our Y. W. C. A. and remember that we want and need you.

We, the members of the Young Women's Christian Association of Fredericksburg, unite in the desire to realize full and creative life through a growing knowledge of God.

We determine to have a part in making this life possible for all people.

In this task we seek to understand Jesus and follow Him.

1. Knowledge of God makes us become conscious of nature—Beauty.

2. Knowledge of God gives us a sense of grandeur and purpose.

3. Knowledge of God makes us try to love all people.

How does one grow?

1. Contact with others.

2. Live yourself a full and creative life.

3. Do everything in a big, fine way.

4. To make the life of one person full and creative is a worth-while life-task for one.

WORK of the COMMITTEE

In order for you to understand the different types of work for which the Y. W. C. A. is responsible in our college, we will briefly outline the work done by each department.

1. The Membership Committee.

Motto: "Come unto me. . . ."

It is the privilege of the Membership Committee to welcome the new girls and to help make them feel at home in their new surroundings. In the course of the summer a letter, together with a hand-book, is sent to each prospective student, and then when school begins the girls on the Membership Committee and other members of the Cabinet are here to welcome, personally, all of the new students. Look out for these Y. W. girls—their colors will be flying,

and they want to serve you. For the first few days they will be regular walking bureaus of information, answering questions a new girl needs to have answered. These same Y. W. girls will also help you with your suit cases and show you the way to your room. Get acquainted with these girls; you will like them.

Not only do this, but join the Y. W. We want you and need your help.

2. Devotional Committee.

Motto: "Let my prayer be set forth as the incense and the lifting up of my hands as an evening sacrifice."

It is the work of the Devotional Committee of the Y. W. C. A. to arrange programs for the Sunday evening services. These programs during the past year were looked forward to each week as a source of much interest and pleasure. They were varied in nature, though always holding to the underlying purpose of bringing spiritual help to the girls.

Among these programs were special song services, pantomimes, plays, and pageants, musical programs, using the talent of the students and that of the musicians in and around Fredericksburg, also speakers from Fredericksburg, and other places. These services constitute a regular part of the Sabbath day, and one

would feel the day incomplete without this half-hour together at its close, when the thoughts are turned to praise and worship of God and to the work and need of His people.

3. Vesper Committee.

Motto: "My house shall be called a house of prayer."

The duty of the Vesper Committee is to endeavor to make students realize the value of setting aside a certain part of each day for song and prayer.

Vesper services are held every evening after supper in the parlor. This little service lasts only a few minutes, but it means much to the girls. Each Sunday morning we observe Morning Watch with a short service to start the day right. These two services help to create a Christian-like atmosphere each day in our school life, thereby fulfilling one of the purposes of our Association.

4. World Fellowship Committee.

Motto: "Then give to the world the best that you have, and the best will come back to you."

The World Fellowship Committee seeks to promote and ever encourage on the campus the spirit of brotherhood by helping the new students to feel at home, making it a point to visit the homesick

and having a smile in the darkest moments, thus forwarding an intelligent interest in world fellowship.

The World Fellowship Committee leads in the observance of the World Week of Prayer in November.

One Sunday evening in each month is provided for this committee to aid in broadening the knowledge of missions by pointing out the needs of the whole world. The aim of this is to drive toward world fellowship.

5. Campus Social Service.

Motto: "I was sick and ye visited me."

The work of the Campus Social Service is confined strictly to the campus, since we realized that there is enough work for a full committee to do here. The true ideal of service is established among the students, and much good is done.

The committee has charge of cheering the girls in the infirmary and furnishing them with magazines and flowers. It keeps posted a list of the girls who are sick so any student might write to them. The nurse works in co-operation with this committee.

6. Music Committee.

Motto: "Let us come before His presence with thanksgiving. Let us make a joyful noise unto Him with psalms."

The purpose of this committee is to furnish appropriate music for every Sunday evening service. At least once a quarter a special musical program is given, consisting entirely of music, such as violin, cornet, piano, and vocal solos, etc. The chairman of this committee is director and organizer of the Y. W. choir, which meets once a week for practice. All during the year, solos, quartets, duets, and trios are sung by members of the faculty or by musicians of the city.

7. Social Committee.

Aim: The betterment of school life and encouragement of those ideals which make for truer and nobler womanhood.

The Social Committee has charge of all social functions carried on by the Y. W. C. A. during the college year. A get-acquainted party is the very first social function of the year. This party aims to acquaint all members of the college with each other, both student and faculty members.

There are other parties and stunts throughout the year.

This Social Committee not only desires to make college life pleasurable to every one, but tries in every way to make our college a more worth-while and better place in which to live.

8. Publicity Committee.

Motto: "I will instruct thee and teach thee in the way that thou shalt go. I will counsel thee with mine eye upon thee."

(a) Posters:

The Publicity Committee is responsible for making posters for the Association meetings and servcies, and for the various departments as needed. This committee is more or less a part of every committee, as we co-operate with all of them in carrying on their work.

(b) The Bulletin Board:

The Bulletin Board is on your right as you enter the dining hall. You just can't miss it! Nor do you want to! On it you will find posters, announcements, clippings—well, in fact, everything that has to do with the Y. W.

If you are interested in lettering, drawing or clipping bits of news, won't you do us the favor (as well as yourself) to let us know?

9. Reporter.

Motto: "They proceeded to report in detail all that God, working with them, had done."

The aim of the Reporter is to keep the home and town people in closer contact with the religious and social life of

the school. The Reporter sends to the town paper any news that is particularly interesting to outsiders.

10. Finance Committee.

Motto: "Not slothful in business, fervent in spirit, serving the Lord."

In explaining the work of the Finance Committee, aside from collecting and handling money, the committee connects our Student Association with the World Association by contributing funds for international Christian movements. An attractive benefit is given each year to raise funds to complete the budget. Fresh candy and peanuts are always on sale in each building.

Slight changes are made in our budget each year as is found to be necessary.

11. Librarian.

Motto: "I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness."

The work of this committee embraces not only the arrangement of the auditorium in harmony with the evening's service, but includes the distribution of the hymnals at our vesper services, the arrangement of the parlors for such services, and the determining of the manner and scheme of decoration for any social function, program or benefit spon-

sored by the Y. W. C. A. In short, the work of this committee is that which will help to insure the smoothness and success of anything which the Y. W. C. A. might attempt to do.

12. Town-Girl Committee.

Motto: Through God we shall do valiantly."

This committee serves as a link between the day students and those on the campus inviting them to membership and service in the Y. W. C. A., representing their needs and desires on the Little Cabinet, and making the Town-Girls' Room as attractive and cheery as possible.

THE UNDERGRADUATE REPRESENTATIVE

The Undergraduate Representative of our College is a connecting link between our Student Association and the National Y. W. C. A., of which we are a part. It is her duty to interest the members of her Association in the social and industrial problems of the day, and to promote their interest through study classes, speakers, and discussion groups, seeking in every way to bring the problems which face the world to the consideration and thought of the students, so that they may be worthy citizens with open minds and understanding hearts. It is the duty of her committee also to visit the hospital once a week carrying flowers and magazines whenever possible. It will also have charge of the skits which are put on each Saturday night after dinner.

At the Conference of Student Associations of the Southern Division of Council, at Blue Ridge, she represents her Association in all active problems which come before the undergraduate representatives there, bringing back constructive ideas to be passed on to the general membership of her own Association.

BLUE RIDGE

Blue Ridge is an ideal mountain spot near Black Mountain, N. C., which is

the scene every summer of the Southern Student Conference of the Y. W. C. A.

Every June, representatives from all of the Southern colleges gather there for ten days for the purpose of discussing and solving school and student problems.

We put the girls first because they are first in our thoughts, but no less dear and just as important are the leaders and speakers of the conference. They solve your problems, individually and collectively; they advise you, inspire and give you some of their enthusiasm and force, and, moreover, they join in your recreation and play, and give you a chance for real friendship with them.

What else do we do at Blue Ridge? Well, there are so many things that you can hardly do them all. For instance, the swimming pool, tennis courts, basketball courts, countless hikes up the mountains—all provide wonderful afternoons of fun and frolic.

Blue Ridge means more to those who have been there than they can ever tell. It is a place where all are lifted in mind and spirit close to the spirit of God. His presence pervades all there, and we see more clearly than ever how He can be felt in all our work and play.

You can't help catching the Blue Ridge spirit. It's an experience no girl ought to miss. So come with your mind made up to go to Blue Ridge next spring.

THE NATIONAL Y. W. HYMN

Follow the Gleam

To the knights in the days of old,
Keeping watch on the mountain heights,
Came a vision of Holy Grail
And a voice through the waiting night,
Follow, follow, follow the gleam.
Banners unfurled o'er all the world,
Follow, follow, follow the gleam
Of the Chalice that is the grail.

And we who would serve the King,
And loyally Him obey,
In the consecrate silence know
That the challenge still holds today,
Follow, follow, follow the gleam.
Standards of worth o'er all the earth,
Follow, follow, follow the gleam
Of the light that shall bring the dawn.

TO THE NEW GIRL

One of the greatest pleasures which the Student Government girls and the Student Body will experience during the coming school year will be the welcoming of you for the first time to our Alma Mater, and into the life on our campus. We want you to feel that you have a definite place to fill in our college activities, and we are sure that when you co-operate with us, you will catch the spirit which is so characteristic of our college and your college. You will have problems to confront you, but we want you to know that we as an association and as individuals are your friends, and will be more than happy to help you solve them. Do not hesitate to seek us out and ask our service, for a willingness to help forms a large part of our motto, and that of the Student Body. Above all, we need your help and earnest co-operation, and you will be more quick to shoulder your responsibility when you realize that the success of your college and Student Government depends on you. Remember that we are here to aid you in every way, and that "freely we serve, because we freely love." We are looking forward to your entrance in the fall with much pleasure.

GRACE E. TAYLOR,

President Student Government Association.

STUDENT GOVERNMENT ASSOCIATION

About twelve years ago the administration and faculty granted to the students the opportunity and privilege of organizing themselves for democratic self-government. A constitution and rules and regulations, which have been revised and amended from time to time, were adopted by the students for their government.

In the spring of 1924 we became a member of the Southern Intercollegiate Association of Student Government. Each year we send two delegates to the annual conference; these delegates consist of the out-going and in-coming Presidents of the local Student Government Association.

The following excerpts from the Constitution of the S. I. A. S. G. will give an idea of the organization:

"The purpose of the Association shall be:

1. To discuss for mutual benefit problems of Government presented by delegates and, if desirable, to adopt recommendations.

2. To foster and demonstrate a spirit of helpfulness in the colleges which are members of the Association.

Membership

SEC. 1. Eligibility—Any Woman's Organization for Student Government in Southern Colleges and Normal Schools

which fulfills the following requirements shall be eligible to membership in the Association:

(a) Colleges requiring not less than fourteen (14) units for entrance, and not less than sixty hours' work for A. B. or B. S. Degree, and which have a membership of not less than three hundred (300) students.

(b) Each College or Normal School shall pay a fee to the Association each year on or before the date of the first session of the regular Annual Conference.

(c) The funds arising from these fees shall be used for paying the expenses of the officers of the Association to the Convention, a sum of $35 to the college entertaining, and for further uses at the direction of the Executive Committee.

(d) The amount of the fee shall be decided by the Treasurer according to the estimated expenses of the Organization.

(e) Any College failing to pay dues for two consecutive years shall be automatically dropped from membership.

(f) Votes—Each College and Normal School after payment of the annual fee shall have two (2) votes on every question."

Upon registration, a student automatically becomes a member of the Student Government Association at Fredericksburg, and under the Honor System is trusted to uphold and support at all times the ideals of this association as expressed in the constitution.

THE HONOR SYSTEM

At a business meeting of the Student Government Association, March 13, 1924, the student body took one of the most significant and splendid steps in its climb toward a coveted objective—an ideal Student Government Association—by carrying, overwhelmingly, the following adoption:

"In recognition of the fact that student self-government can be a success only through individual responsibility on the part of each student to uphold the highest standards of honor, we, the students of the State Teachers College at Fredericksburg, Va., do hereby adopt in word and deed the Honor System as the controlling force in all phases of our college life."

This is the culminating expression of an ideal which Fredericksburg has tried to uphold, and if our college women, both old and new, will stand forth uncompromisingly for this adopted Honor System, the result can be none other than a noble college, made so by ideals becoming real.

Begin aright with real college loyalty, honor and co-operation. Do your share and help your neighbor to do hers. Let the Honor System be a part of you. Hold yourself ever above anything that might mar your honor or the honor of a fellow-student, and so be a force in contributing to the honored name of your college.

III. Regulations Relating to Class Organizations

Membership in class organizations is optional. All class dues must be paid by November 15th, except those of the Freshman Class, which shall be paid by December 15th. Students who do not pay their dues by above dates are not considered members of their respective class organizations; consequently they are not to be granted class privileges, such as voting, holding office, attending class meetings, class functions; nor will they be allowed representation in the Annual.

Sophomore, Junior, and Senior Classes may meet and organize prior to the appointment of the Class Adviser, but the program for the year and the assessment of dues shall not be undertaken until the appointment of Class Advisers. The Freshman Class will meet and organize on November 1st.

IV. Miscellaneous Regulations

6. *Dining-Room.* Juniors, Seniors, and selected Sophomores, after making up their tables, will preside at those tables in the dining-room. The hostess may dismiss her table (not individual students) at both breakfast and lunch. The dining-room is dismissed as a whole at dinner by the Dean of Women. Student teachers may leave the table at breakfast and lunch before the table is dismissed, provided limitations in time make it necessary. Hostesses shall report all absences from meals.

7. Students may go to the Tea Room on Saturday evening and on any other

evening during the week with an approved escort provided they have special permission to entertain.

Should students go farther into the business section than these boundaries it becomes a trip to town; if they go farther into the country beyond the "Little Store" it becomes a rural walk and necessitating a group of four.

11. Students who have the privilege of going into town at night must be back on the Hill by 10:30 P. M., at which time

every student must be in her own dormitory. No student is to unlock any door for a student out of the dormitory unless authorized by the Dean of Women.

12. Students spending Sunday in town must be in the dormitory by 10:30 P. M. If they are spending Sunday out of the city, or are away for the week-end, and are returning by auto, they must also be in the dormitory by 10:30 P. M. If returning by train, they are to return to the College by those trains which arrive about 10 P. M.—namely, the 9:50 P. M. from the South and the 10:25 P. M. from the North. No student will be allowed to come in by the 11:10 P. M. train from the North except by special permission from the Dean of Women.

POINT SYSTEM

1. Offices held by students shall be valued by percentage.

2. Any student who is nominated for a major office in any of the classes or major activities in the College and allows her name to stand as a nominee is ineligible for any other nomination to any other office until the election for this office is over.

If a student does not wish for her nomination to hold she may withdraw her name as a nominee, provided she makes her withdrawal by submitting a written request to the Secretary of the class or organization not later than 12 hours after her name has been publicly posted.

3. A student making an average below C, or failing on more than 20 per cent of her work in the previous quarter, shall be ineligible for participation in any major school activity for holding any office during the quarter succeeding. A major activity shall be defined as one pertaining to the whole student body, such as Student Government, Y. W. C. A., the Battlefield, the Bullet, and May Queen; in addition, departmental work, such as choral club, physical education and dramatic activities, shall also be regarded as major school activities, or any othter activity which will require so much preliminary practice as to transgress on proper academic preparation. A student may not remove an illegibility by merely making up a condition, unless such conditions be due to illness or enforced absence from the College.

4. The academic status of every student holding office or taking part in a major school activity shall be ascertained from the Registrar's Office by the president of the organization and approved by the advisor of that organization before

the nominee's name shall be submitted for consideration. (b) As soon as the officers in an organization are elected, it shall be the duty of the secretary of the organization to furnish the properly attested list of all officers in the organization to the Registrar's Office and notify the office of any changes that may occur during the year.

THE ATHLETIC ASSOCIATION

The Department of Physical Education seeks to offer to girls recreation and relief from mental application. The activities that it champions consist of highly organized team games, such as hockey; mass games, such as volley-ball, track and field activities as may easily be continued athletics, swimming, tennis, and such activities as may easily be continued after leaving the school.

The purpose of all these, while they give immediate satisfaction and invite the student to engage in sport for sports sake, is not limited to this immediate enjoyment that results from participation, nor is it even limited to such worthy ends as the tonic effect sport produces on vital bodily functions, nor increasing resistance to disease. The purpose is more far-reaching. The social, moral, and spiritual values are those that are aimed toward: the working together as a unit; the putting aside of personal interest; the ability to be a good leader and a good follower; the learning of how to control the emotions and giving them expression through constructive rather than destructive channels—all of these are the real purposes of physical education.

Our athletic season begins in the fall with Interclass and Varsity hockey games, followed by interclass and varsity

basketball in the middle quarter, and finally during the last quarter we have the baseball and tennis tournament and the track and swimming meet.

SONGS and YELLS

(*Tune*: "It Ain't Gonna Rain No More")
Oh, the finest college I ever knew,
It never comes a-pokin';
If I should tell you the pep it had,
You'd think I was a-jokin'.

It's not the pep o' the pepper pot,
Nor the pep of the popcorn popper;
It's not the pep of the mustard can,
Nor the pep of the vinegar stopper;
It's the good old-fashioned P-E-P—
The pep you cannot down.
Fredericksburg pep!
Fredericksburg pep!
Peppiest college around!

We're the girls of Fredericksburg
You hear so much about;
The people turn and stare at us
Whenever we go out.
We're noted for our wisdom
And the clever things we do.
Most everybody likes us—
We hope you like us, too.
As we go marching,
And the band begins to p-l-a-y,
You can hear the people shouting—
The girls of Fredericksburg are on their way!
Yipsy yow yow!
Yipsy yee yee!
Yipsy yow yow!
Soak 'em, Varsity!
We will rough-neck . . .
Till they holler:
Cut it out, out, out!

(*Tune*: "Joan of Arc")

Brown and Gold! Brown and Gold!
We have worked, never shirked, for the game.
We have sent our girls out to win.
They'll fight for us through thick and thin.
Brown and Gold! Brown and Gold!
To you we will be true;
We've fought the fight to victory.
Brown and Gold, we are strong for you!

Kala, Kala, Kala, Kala!
Sis, Boom, Bah!
Florianna, Frankipanna, Eureka!
Razoo, Razoo,
Johnny, yet your bazoo!
Hip, skittle, ikera,
Kalamucha hozaa,
Fredericksburg, Fredericksburg,
Rah, Rah, Rah!

ALMA MATER

Music by MILDRED P. STEWART, '28
Words by SALLIE B. WALKER, '28....

Eager voices singing,
Swelling high and clear!
Happy hearts their praises bringing,
Alma Mater dear!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring!

Through busy years of college,
In noble teacher's care,
We've squarely gained each bit of knowledge;
Won the laurels fair!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring!

We'll love thy name forever,
Whatever fortune send;
Thy ideals true forsake, oh! never,
Never till life's end!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring!

All hail to Alma Mater,
Alma Mater dear!
Gladly blend your voices, daughters,
For her colors cheer!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring!

Giver of all knowledge,
Hear us as we pray;
God, our Father, bless our college,
Hear our prayer today!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring!

TRIBUTE FROM THE CLASS OF '29

Upon a glorious hill side
Our Alma Mater stands
A monument of love,
To which we raise right hands.
Above the noble tree tops
We send our praises fine
A tribute from the Seniors
The class of '29.

Our Time here's quickly passing
But friends more than a few
Will be with us forever
Dear Alma Mater true.
Out through thy classic columns
We send our praises fine
A tribute from the Seniors
The class of '29.

And in the distant future
When days may not be fair
The happy thoughts will linger
Of the days spent in your care.
So, to our Alma Mater
We send our praises fine
A tribute from the Seniors
The class of '29.

THE BULLET

THE BULLET, the college monthly paper, is issued by the students of the college, aided by the faculty advisers.

The aim of this publication is to create among the members of the student body a medium through which stories, poems, articles and essays may be published. THE BULLET is also published for the purpose of bringing before the members of the student body the religious, academic, social and athletic events taking place on the "Hill-Top." In addition, its columns are especially planned to give constructive opinion concerning the life and needs of college women and to broaden the vision of the students so that their interests may extend beyond the narrow borders of college.

It is not only desired, but expected of every student to make a contribution to the College paper. The editor and staff will appreciate all interesting and snappy items concerning college activities, as well as material of a more literary value which the students may contribute. THE BULLET should not be the result of the efforts of the staff, but rather it should be that of the interest which the students have in the life and progress of their College.

GLEE CLUB

The Glee Club is an organization of about thirty members, selected by the Musical Director. Entrance into the club is based upon voice quality, range and singing ability. Weekly rehearsals are held for the purpose of studying two- and three-part selections of standard and classical music.

A concert is given every year, and the club also furnishes the music for commencement exercises.

If you have any musical ability, don't fail to try out for the Glee Club.

One and one-half credits are given per quarter.

CHURCHES

Your college life is as important to you from a religious point of view as from an intellectual side. Therefore, at the beginning of your college life in Fredericksburg seek out the church best suited to your tastes and beliefs and attend it regularly.

The city's churches and pastors are:
Episcopal—
St. George—Rev. Dudley Boogher.
Trinity—Rev. Charles W. Shearin.
Methodist—Rev. Charles L. DeLong.
Baptist—Dr. Ryland T. Sanford.
Presbyterian—Rev. R. V. Lancaster.
Catholic—Rev. J. A. Callahan.
Christian—Rev. H. Newman.

THE DRAMATIC CLUB

The Scene Shifters is an outstanding phase of the college life.

This club believes that educational dramatics is both pleasurable and profitable. If you have historic ability, here you may develop it; if you are averse to performing, develop an ability for directing performances. For this opportunity, two essential qualities are necessary: an interest, and willingness to work. At some time during the year every member has an opportunity to take part in a production. At least three public performances are given.

Membership for the nine months entitles you to one and one-half credits. The class meets one hour each week.

The Scene Shifters wants you if you are a worker interested in "shifting scenes."

THE BATTLEFIELD

THE BATTLEFIELD, considered by the staff a most appropriate name, represents in its two hundred and fifty pages a year of college life. In it can be found a record of the classes, the organizations, and the athletics of a year at work and at play.

The staff has tried to organize a book that can be used as a guide by the new students and as a constant source of interest and amusement by the old students.

THE BATTLEFIELD, our Annual, is essentially a college product, written of the students, by the students, and for the students.

BITS of ADVICE

Cultivate the habit of gentleness.

Do not shun the lowly because they are lowly.

Prefer to appear capable rather than smart.

Be generous in words and acts of forgiveness.

Resolve to do better each day—and then do it.

Keep up courage when others begin to show signs of discouragement.

Make it a rule of your life to think kindly of others, no matter what they may think of you.

Remember that we live in thought and deeds rather than in breaths and years.

Stand firmly for the right at all times and in all places.

Consider the time you spend in religious meditation and worship well improved.

—*Selected.*

REMEMBER!

This book aims to straighten out your difficulties. If it falls short of the mark, ask any old girl; she'll be glad to help you.

A broad education cannot be obtained from textbooks alone. Take an interest in college organizations; they will broaden your point of view.

"Class spirit" should never be encouraged to the exclusion of "college spirit."

Take part in student activities; action speaks louder than words.

Be honest with yourself and always remember that you are here for a purpose.

Do all the good you can and keep the knowledge of it under your hat.

Cheerfulness is contagious.

Remember that you will find true and noble friends, if you want them, among both the faculty and the students.

If you have the habit of borrowing, lend it before you come to S. T. C.

It's easier—and better—to keep up with your work rather than cram for exams.

You want to feel that the library is a place to go when you want absolute quiet. Help to make it just that.

The old girls aren't half so dignified.

Go to church as often as you can. It's a privilege after six days of studying.

If you can play any kind of musical instrument, bring it with you; the orchestra needs your talent.

You might miss something, so watch the bulletin boards.

If you get hungry, remember the Y. W. sells candy.

Your presence is needed at the regular Y. W. C. A. meeting on Sunday night.

Don't forget your Bible; you'll need it every day.

Mrs. Low Standard and her children, Gossip, Irreverence, Selfishness, Snobbishness, and B. Blue, have been exiled from S. T. C. Don't bring any of these with you.
